Work Session Meeting Minutes
April 21, 2022

Present: James Bailey, Chairman; Iris Campbell, Selectwoman; Laura Buono, Town Administrator; Dave Roarick, Police Chief; Chris Parsons, Police Lieutenant; Robyn Payson, Planning Director; Ernie Butler, Road Agent.

The meeting was called to order at 1:06 p.m.

1. PARKING REGULATIONS

The Town's parking regulations were reviewed and discussed by those in attendance as a continuation to update them due to the challenges of managing municipal lots as well as planning for future parking management of the downtown once storefronts fill up. Various discussion took place around whether or not to move forward with the parking app and it was decided that it would be a beneficial tool due to the fact that the Town would have the authority to customize the program. The Board could choose to charge for overnight parking in the municipal lots while having free on street parking during business hours for the local businesses and restaurants. Chief Roarick will get pricing information for the app. Several proposed changes were made to the regulations and Ms. Payson will make those changes and distribute the marked-up regulations once they are completed. A future work session will be scheduled again once those changes are made and the app information is received.

The meeting was adjourned at 3:25 p.m.

A true record.
