OLD BUSINESS

1. 2019 Activities List

- a. Natural Resources Inventory (NRI) Review / Prioritizing areas for protection.** Tabled
- b. Outreach** - Linda White shared a book she had about Land Conservation in New Hampshire. Roger Shamel described a recent workshop he had attended about land conservation, put on by the UNH Co-op Service. He also reported that he had contacted the Audubon Society regarding presentations, but that isn't something they do.
- 2. Bio-Bliz** – Linda White reported asked the rep for this program at UNH Cooperative Extension when the two towns would be selected for this year's program. She was informed that this would happen after the May 15th application deadline. Since the HCC doesn't have a property definitively in mind at this point, the consensus was to consider this for next year. Linda White said she would review the applications and the Commission will discuss this further at a future meeting.
- 3. Emergency Lane Designation** – John Segedy said he had reviewed the matter and he believes the law would allow for culvert repair as it stands as long as the designation was done properly. He shared a description of the process from A Hard Road To Travel.

New Business

1. Riverwalk

Richard McNamara asked about the use of ATV's and signs for them and for the HCC in the Riverwalk area. Linda White suggested asking Terry Yeaton to help clarify. It will be put on the next agenda.

ADJOURNMENT

Roger Shamel moved: *To adjourn.*

Russ Galpin seconded. Motion passed 4-0 at 7:50 pm.
