2. **Patenaude Marsh Surveying and Marking**

Brett Cherrington informed the Selectboard and Business Administrator, Laura Buono about encroachments on the access corridors. Ms. Buono will follow up on the matter.

There was discussion of the proposal, and the options for marking the access corridors near the encroaching residences, including alternatives such as cedar posts.

Consensus of the Commission was to approve proposal including field guide and additional orange posts on corners. Brett Cherrington will submit the proposal for Selectboard approval.

### **3. Old Mill Farm**

Brett Cherrington reported that he had recently been to the property and noticed that “Private Property” signs had been placed on both sides of the Right of Way accessing the Conservation Land giving the impression that the whole piece was private.
