Being the primary caregiver for a loved one can be challenging emotionally, physically and spiritually. Friends, family, and neighbors can offer their help, and their ears...but who else truly knows what you go through every day but other caregivers. Please come to share your support and receive the support of others in very similar situations. Come to talk, or just to listen.

Any questions, please call Dana Brien at 603-464-3877 x226 or Meg Curtis 478-1947

“The Shiny Lapel Trio”

## **SHOW**

The Shiny Lapel Trio is a tiny little band with a great big sound! Keeping it simple with just three rockin’ instruments, and a big ol’ slice of velvety smooth vocals, these guys tear up a dance floor like a carpenter late for lunch. Whether they’re rippin’ thru a classic Louis Prima standard, or makin’ ya cry with a Nat King Cole ballad, the instruments grind along full throttle while the vocals float across the top as thick as a layer of gritty bar room smoke. Oh, they schwing baby and it ain’t for the faint at heart!
