Present: Jack Wells, Herm W., Jane Williams, Doug Hatfield, Russ Galpin, Alan U., and Robyn Payson

Guest: Mike Tardiff

Meeting was called to order at 9:02am – Doug Hatfield

Minutes of July meeting we accepted by Herm W. and Russ Galpin

Mike Tardiff – discussed that they had complete 2/3rds of the parking Study and the last study will be September 3rd. Last bit need to be tied up is signage and utilization. Myrtle Street lot is the least used. It would be nice for the chamber to remind merchants in the central business district to have employees park in municipal lots and not in front of their business.

Mike discussed a small project to clarify walkways and cross walks from the sausage source to 149. This would be an easy low cost town project.

Civic Plus: Working on Concept – Portal page – active committee meetings

Robyn Weatherstone Crossing : DES is holding up the start. Robyn to contact Ayotte and Shaheen to see if they can help with it.

Alan U. = HB175 H/S Passed 250 days/clean up

Respectfully Submitted
