Meeting call to order at 9:02 by Chairman S. Venezia

Minutes of June Meeting were accepted by Steve Venezia and Jack Wells.

Planning Director Robyn Payson reported that she and Town Administrator, Laura Buono met with consultants on site about Brownfield Project at Woods Woolen Mills. Now awaiting build review.

Weatherstone Crossing, Mike Black Developer, issues have been resolved.

Mike Tardiff presented Outline and 1st draft of the Master Plan. We reviewed Community Survey results and economic indicators that were derived from the survey. From this we can see what the community wants and needs.

CEDS Projects – (Goals we as a committee have set.)

Strategic Plan – Sort , Medium and long term projects.

79-E District as outlined in the June meeting needs to be approved by the selectmen.

A Short term goal should include a Trail Committee – from Woods Woolen Mill cross river to Grimes Field. PLAN NH could be a resource for a plan. Need to see the vision of that areas potential.

Water Sewer – infrastructure needs to be addressed. Water sewer needs to move forward as a town.

Thanks to Mike Tardiff – without his guidance and resources – certain goal could never been accomplished.

BRE: Task Force – Members were assigned to contact potential members.
