

CEMETERY TRUSTEES
MEETING MINUTES
April 18, 2023

Present: Trustees Wendy Baker, Norma Webster and Iris Campbell and Benjamin Chadwick.

Chairman Campbell opened the meeting at 5:11 pm.

The Trustees signed the minutes of the October 25, 2022 meeting.

Mrs. Campbell informed the Trustee that she has reapplied for a Moose Grant the amount of \$20,000. She was informed that because we had applied last year we would only have to resubmit the same application. She has, however, added an informational data sheet regarding the D/2 Solution used to clean the stones. She also submitted a Work Method Sheet obtained from the contractor explaining his method of cleaning and repairing the stones.

The Trustees discussed reviewing and revising the Cemetery Regulations. The Trustees agreed to hold a work session on Tuesday, May 16, 2023 to review and updating the Cemetery Regulations and to include a section regarding natural burials.

Mrs. Campbell will checked with the Town Administrator on whether a public hearing is needed in order to adopt the new regulations. She was told no public hearing is needed, but the notice of the meeting should note that the revised regulations will be voted on for adoption.

The Trustees discussed private cemeteries and Mrs. Campbell will speak to the Planning Director to see if regulations should be adopted.

Mrs. Campbell asked Mr. Chadwick to see if LaValley Tree Service could remove the trees at Maple Avenue Cemetery, as his quote for the job is now three years old.

Meeting adjourned at 5:46 p.m.
