

Hillsboro Energy Commission Approved Minutes  
September 9<sup>th</sup>, 2021; **Bolded items are things to-do**

Meeting opened at 6:00 PM.

Attendance: Brett Cherrington, Chairman; Vice Chairman - Adam Charrette; Jon Daley; Sue Durling

Secretary's report:

Minutes of 08/12/2021: Motion to accept as amended by Adam Charrette. Seconded by Sue Durling. Passed unanimously.

Solar Street Lights

Jon tried to call Eversource, but they weren't able to get him to the right person. Adam has a number for Alison McLane 603-634-3743, so **Jon will try her.**

Energy Audits

Brett texted Rich Burns, and is **waiting to hear back.**

Police EV proposal

Brett did some research into the federal infrastructure bill, but it is still very much up in the air. Hopefully, we will know in time for our budget season so we could take advantage of a grant, etc. **Brett will contact the chief to let him know the progress.**

EV Charging Station

Brett read some emails from Robyn Payson. She suggested that we get some language to add into the site plan regulations, where we can "suggest" that builders add in charging stations. She also wanted to see about Zoning definition for charging stations and adding it to the "permitted" list for the commercial zone. Jon emailed some links of sample zoning documents that he found. **Brett will review and possibly talk to Robyn to see about the next steps.**

Portfolio Manager

Summer vacations got in the way of recent progress, but **Sue will keep working on it.**

Next meeting will be on September 23<sup>rd</sup> at 6:00PM.

Meeting adjourned at 6:25 PM, motion to adjourn by Sue, seconded by Jon, passed unanimously.

Respectfully submitted,  
Jon Daley
