

Hillsboro Energy Commission Approved Minutes
February 9th, 2023; **Bolded items are things to-do**

Meeting opened at 6:08 PM. Attendance: Brett Cherrington, Chairman; Adam Charrette, Vice Chairman; Jon Daley, Secretary.

Secretary's report:

Minutes from January 26th, motion to approve as amended by Adam, seconded by Jon; approved unanimously.

Community Power and PUC updates

Next meeting will be at the fire station on February 23rd at 5:30PM, an online meeting hosted by the Community Power Coalition of New Hampshire.

Electric Vehicle Charging Stations

Brett has been researching and collecting links to companies that are involved in various aspects of design, installation, maintenance of charging stations.

LED Street Lighting Project

We will meet with the Selectboard and the Highway Safety committee at the regularly scheduled Selectboard meeting on ~~February 22nd~~ to discuss our proposed reduction in street lighting. [The meeting was changed to March 9th after the meeting]

Weatherization Project

No update.

Annual Report

The final draft was approved and will be submitted to the town office tomorrow. Depending on fonts and margins, we wondered if it would fit on one page. If it only fits on two pages, we discussed additional items to add – our new logo, an LED graphic, two side-by-side photographs showing how the LEDs improved the lighting for a particular spot, etc.

Quarterly Newsletter

The town office emailed us to ask if we had anything to contribute to the town's quarterly newsletter. **Jon will write a paragraph asking for additional members, both for the Commission and for the new Community Power Committee.**

Motion to adjourn at 6:51 PM by Adam, seconded by Jon. Unanimously approved.

Respectfully submitted,
Jon Daley
