Seconded by Tom Fournier. Motion passed 4-0-1 (Richard Head abstained).

2. **Fox Forest** – Cottrell-Baldwin Environmental Lecture Series Pamphlet
3. **UNH Cooperative Extension** – Conference Pamphlet

Old Business

1. **Natural Resources Inventory (NRI)** – Panel Discussion

Refreshment arrangements were discussed.

Brett Cherrington brought up previously identified concern about ownership of the data that is being collected or generated as a result of the NRI. He said he feels that the data should be available for the historical record and is the town's since the town is paying for the acquisition of it. He expressed concern that Jeffrey Littleton had mentioned that he intended to keep ownership of the base data after the Town's NRI is completed.

Ted Millspaugh said that the matter should be clarified.

Richard Head said they should ask Jeffrey Littleton what he meant.

Consensus of the Commission was to discuss it the next time Jeffrey Littleton met with the Commission.

New Business

1. **Old Railroad Drive** – Ted Millspaugh shared an e-mail received from a resident on Old Railway Drive expressing some concerns. Ted said he had driven by but due to impassable road conditions and limited location information he could not locate the area of alleged violation.
Commission discussed matter briefly.
Consensus was to have John Segedy respond on behalf of Commission giving information about contacting DES or coming to a Commission meeting.

Other Business

1. **Riverwalk Brochure** – Terry Yeaton said he had noted a link on the Web site that referenced the brochure being at the library. Upon inquiry he found that the library had one copy of an old brochure that they make copies of for anyone who wants one. Brett Cherrington noted that the brochure is significantly out of date,

and references markers that have long since disappeared. After some discussion the consensus of the Commission was to have John Segedy scan it and have the scanned brochure put on the web for the public to access.

2. **Ted Millspaugh** – Informed the Commission that after 2 terms of three years as a member of the Conservation Commission he would not seek reappointment to a third term.. He expressed that he had enjoyed working with all the Commissioners.

Brett Cherrington gave thanks to Ted for all he had done.
