

Minutes form EDC Meeting 12/4
Hillsborough Fire Department
Approved-

In Attendance: Chairman Steve Venezia; Laurel Boivin, Jane Williams, Jack Wells, Laura Buono, Doug Hatfield, and Robyn Payson. Guest: Mike Tardiff

1. Minutes from the 10/23/14 meeting were accepted by Doug Hatfield 2nd by Laurel Boivin

Abstention: Jack Wells

2. Mike Tardiff - Updated us as to the status of the central business district parking study. It will be conducted Saturday 12/13/14 – and completed by years end. It can be updated summer 6/15 if needed.
Master Plan will be completed 12/2015.
3. EDC Academy – Congratulations Robyn for graduating from the academy. A press release will be completed and submitted to the local papers. Payson said, “It was an excellent experience to be able to share ideas statewide with colleagues. “
4. Weather Stone Crossing – moving along – developer met with DES and FEDs in regards to wetland issues. It was discussed the Woods Woolen Mills maybe can help along with DRED to satisfy FED wetlands protection.
5. Sewer Commission (Robyn Payson for Herm Wiegelman) A smooth process has been created for developers when working with town water and sewer for new projects.
6. Welcome Center: Laura Bouno mentioned she did not receive a response from Tire Express. Still investigating moving it to the west side of 202/West Main. Doug Hatfield suggested looking at the town’s highway maps to determine what is accessible.
7. 2015 projects
 - a. Parking Signs
 - b. Visitor center
 - c. Associated Electric (Petroleum contamination) – grant?
 - d. Weather Stone Project advancement
 - e. Web page up
 - f. Grant development

Meeting adjourned 10:25am by Alan Urquhart and 2nd Doug Hatfield.

Respectfully Submitted,

Jane Williams
