Brett Cherrington asked if they would attend a Conservation Commission meeting, but apparently the time didn't work.
They will continue attempting to schedule the meeting.
Brett Cherrington asked Linda White if she would attend as she has handled much of the easements for the Commission.
Linda White said she would try to depending on when it is.

Brett Cherrington shared a copy of the PSNH easement. He said that was a good example of what could be worked out between the town and a commercial property owner.

The Commission had a discussion of hiking trails and noted the discussion last fall about establishing one on the Patenaude Marsh property.

Richard Head moved: *To adjourn.*

Linda White seconded. Motion passed 6-0 at 8:12 pm.
