**Non-Public Session - Approved Minutes - Unsealed**

Present: Commissioners: Terry Yeaton, Vice Chair; Linda White; Richard Head.

John P. Segedy, Recording Secretary & Alternate.

The Commission entered Non-Public session at 7:14 pm.

Richard Head passed out copies of the site plan showing new well and lab results from the testing. He pointed out that the only reportable level was naphthalene and that it and all results were under drinking water standards.

The Commission discussed the results and the next steps. It was agreed that next step would be meeting with Bob Gould to outline details of a Purchase and Sales agreement. Consensus was this should take place when Brett Cherrington is available.

Richard Head will follow up contacting Bob Gould.
