Recording Fee *				\$18.00
	Subtota	al		

^{*}Decisions consisting of more than two pages will require an additional \$4.00/page to be paid prior to the issuance of any other permits.

TOTAL \$	
1 U 17 L Y	

PLEASE NOTE: All fees must be paid by the applicant at the time of filing the application with the designated agent of the Board. Failure to pay all applicable fees as determined by the Town will be valid grounds for refusal to accept the application as complete or for disapproval of the application.

In reviewing applications, the Board may contract with consultants to review all or portions of an application. This review shall be at the applicant's expense and related costs shall be paid in advance. The Board, at its discretion, may request that an applicant prepare special studies, or contract with a consultant to perform these studies, at the applicant's expense.

All fees must be paid by check payable to "The Town of Hillsborough, NH".

7. Acknowledgement and Signature

The named Applicant must sign this application where indicated below. The Owner(s) of the subject property shall also sign where indicated below or submit a signed original letter authorizing the applicant to submit the application on their behalf. All correspondence and notices from the Town regarding the project and any plans will be transmitted to the Applicant.

By signing this application, the Applicant is indicating that all information contained in this application and all supporting and accompanying plans, documents and attachments are complete, true and accurate to the best of their knowledge. The Applicant further agrees that if any such information is found to be false or misleading, any permit or other approval granted on the basis of such information shall be deemed null and void.

The undersigned acknowledge that the Board may require additional information and a site visit to the subject property in order to adequately determine compliance with ordinances and regulations, and to better assess impacts that may be generated by the project/proposal.

It is further understood that approval of an application by the Board does not constitute approval of a Building Permit. Please contact the Town's Building Inspector.
